RE: RECOMMENDATION LETTER FOR DOROTHY CHEPKIRUI.

The above named person was attached at MicroLAN Kenya Limited in Software Department from September 1st 2017 to November 1st 2017.

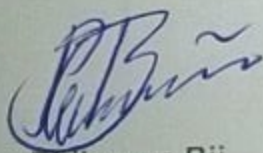

During this time, Dorothy proved to be industrious, reliable, humble and very easy to work with. She is hospitable, intelligent, self-motivated and adoptable. She is a good team player and always ready to accept responsibilities.

Given a chance, Dorothy is capable of making very positive impact not only to your institution and to her professional career but to the society in general.

I strongly recommend her to any prospective employer.
