RE: RECOMMENDATION FOR PRICILLAH GITHANG'A -ID 29465383

This is to certify that **Pricillah** served as a **Field Engineer Intern** at **Empire Microsystems Ltd** from **1st March 2017** up to **30th May 2017**.

Pricillah has been obedient, hardworking and always conducted herself in a professional and respectful manner.

She performed the following roles:-

1. Installation of Fiber network and configuration of network devices- GPON, AR Routers, CISCO Routers and switches
2. Installation and configuration of WIMAX links to obtain the optimal signal parameters.
3. Installation and surveying of Microwave Networks.
4. Installation of Radwin and E1.
5. Network support and Maintenance -Troubleshooting and problem solving.
6. Structured cabling and Termination.
7. SQL Database Management.

Pricillah was a dedicated Field Engineer and we would recommend him for any suitable position in any organization.

Yours sincerely,

Mwai Mworira,

Chief Operating Officer

Empire Microsystems Ltd
