20TH July, 2017

To whom it may Concern,

RICHARD OKEMWA MASORE

This is to acknowledge that **Richard Okemwa Masore** successfully deployed the Digital Literacy Program devices and Training Teachers Marsabit County during the **June-July 2017** program rollout.

During the said period, he managed to carryout following;

- Inspection of the E-readiness for all the schools.
- Assessment and Testing of the DLP devices delivered to schools for insurance of Acceptance certificate
- Training Teachers on the device handling (Hardware), Device setup and minor troubleshooting.
- Training teachers on the use of Net support school tutor console for Class and learners' management. (Software)

He was also part of the team in charge of planning and coordinating the DLP launches in Marsabit Central Sub-county.

Mr. Richard is a dedicated, hardworking, and reliable man. He is of great knowledge and wisdom who is always ready and willing to work within any setup. He is easy to adopt to change and readily available for any assignment and a very resourceful person. Any assistance towards his career growth is highly recommended.

Yours sincerely;
