REPORT ON THE TEACHER TRAINING DONE BY QUALITY INSPECTORS IN KERICHO COUNTY

Below is a summary on how the training was conducted by the Quality inspectors and ICTA team;

The training were majorly done during:

- ☐ Preparation for the DLP Launches
- ☐ Teacher Training during the DLP Sensitization Workshop
- ☐ During DLP Installations
- ☐ During a Visit to POC school

TEACHER TRAINING DURING THE DLP SENSITIZATION WORKSHOP

A combined total number of 54 attendees attended the workshop and this included CSOs, KEPSHA, ICTA, SCQASO, TSC, MOE representatives and other stakeholders benefited from DLP Teacher Training that was carried out by the Quality Inspectors in Kericho County. The DLP Sensitisation Workshop took place on the 4th of October at Kericho Tea School. The following aspects were emphasized during the training:

- ☐ Digital Classroom setup
- ☐ DLP Devices Operation

- ☐ Use of Netsupport Classroom Management Software
- ☐ Basic DLP Technical Support
- ☐ General Safety Precautions

TEACHER TRAINING DONE DURING DLP INSTALLATIONS

At least two teachers trained in each of the following schools during the DLP installations that took place in the months of September, October and November on the following aspects of the DLP project as listed below:

- ☐ Digital Classroom setup
- ☐ Basic DLP Devices Operation
- ☐ General Safety Precautions

DISTRIBUTION OF TRAINING CENTERS PER COUNTY
SCHEDULED TEACHER TRAININGS THAT TOOK PLACE ON THE 4TH
OF OCTOBER, 2016

Below is a summary of the DLP Training Workshop that took place at the following Training Centres

a) Attendance

Among the notable people in attendance were the Quality Assurance Officers from the Office of the County Director of Education and the Human Resource Officers from the Teachers Service Commission, Kericho County Office.

The attendance in the four venues was as shown in the Table below.

School Name	Sub County	Attendance
1. Kericho Tea Secondary School	Kericho	54

b) Classroom Setup

There were two Classrooms at each Training Centre and 2 trainers allocated to each of the classrooms.

c) Conclusion

The training was guided and involved experimentation and practicals as well as it was interactive which build on the confidentiality of the teachers.

DLP EXPERIENCES

- ☐ The DLP experience was the best the interaction of teachers, pupils, BOM and the public at large.
- ☐ Some schools were totally ready while others were almost ready.
- ☐ Communication breakdown was evident in some of the schools in view of the cabinet to be built and security implementation.
- ☐ Some schools due to the terrain we had to walk long distances e,g soin, koitaburot zones.

DLP ACHIEVEMENTS

- ☐ The Quality Inspectors were able to assess 502 schools which is 100% assessment.
- ☐ The Quality Inspectors were able to participate in the sensitization events, launches in the county and teacher trainings.

DLP KEY CHALLENGES

Transport was a big challenge in the county.

RECOMMENDATIONS ABOUT DLP

- ☐ Prompt communication should be embraced in regard to field challenges.
- ☐ Nonetheless, more Teacher Training is still required

CONCLUSIONS

In order to see the success of the DLP project the Kericho Quality Inspectors team are ready to offer full support in training and any other remaining part of the project
